PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

Barrett R. Harvey, et al.

Serial No.: 10/620,049

Filed: July 15, 2003

For: ANTIBODIES WITH INCREASED
AFFINITIES FOR ANTHRAX ANTIGENS

Group Art Unit: 1645

Examiner: Vanessa L. Ford

Atty. Dkt. No.: UTSB:721US

RESPONSE TO RESTRICTION REQUIREMENT DATED MARCH 9, 2004

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Commissioner:

This paper is submitted in response to the Restriction Requirement dated March 9, 2004 for which the date for response is April 9, 2004.

It is believed that no fee is due; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to this document, the Commissioner is authorized to deduct said fees from Fulbright & Jaworski L.L.P. Account No.: 50-1212/UTSB:721US.

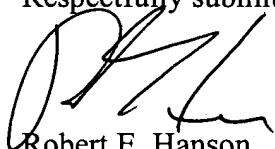

In response to the restriction requirement which the Examiner imposed, Applicants elect, without traverse, to prosecute claims 1-21, *i.e.*, the Group I claims. In response to the species

election requirement, Applicants elect, without traverse, group c), i.e., SEQ ID NO:24. The elected group reads on claims 9-15 and 17-21.

With respect to the second species election requirement, Applicants traverse as it appears that this is intended to be directed to the Group II claims. Claims 1-21 do not refer to SEQ ID NOs:23 and 25, but the Group II claims, claims 22-26, do. Applicants therefore respectfully request the removal of the species election requirement with respect to Group I. Applicants nonetheless elect the SEQ ID NO:23 species in order to ensure the responsiveness of this paper. The elected species reads on Group II claims.

The Examiner is invited to contact the undersigned attorney at (512) 536-3085 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

Robert E. Hanson
